

JANUARY NEWSLETTER

As I write this, we have just gotten our first big snow of the season. We are all snuggled up under our cozy afghan watching Christmas movies.

December was busy with cooking projects...no bake oatmeal cookies, chicken noodle soup and cookie

decorating.

We painted Christmas trees one day and enjoyed coloring many different Christmas theme pictures.

I also want to thank the many carolers that came to entertain with their beautiful voices! We had church groups and some children from Raven Stream Elementary. The residents enjoyed singing along to some familiar tunes. What a wonderful time we all had together!

January will include a visit from an accordion player who speaks Czech. How exciting is that?

We will also do some more cooking/baking projects. For art we are going to try painting snowy trees.

Card games are also on the calendar for January.

I would also like to take a moment to invite and encourage you to join us for activities. No special skills needed, but if you have a skill or talent you would like to share with the residents, please let me know.

Have a happy and safe new year!
